Twinky and the Bear

Twinky and the Bear is a new two man cabaret premiering at the GH during the 2012 Midsumma Festival.

When Sam and Jason are thrust together over a spilt drink on the dance floor at The Peel, there is not telling what may ensue. Twinky and the Bear, (somewhat very loosely, almost barely, hardly even based on the tale of “Beauty and the Beast”), is a hilarious cabaret of uncommon relations and opposing attraction between species!

From the Bearocious world of underwear parties at the Laird to the Twinkified drag shows at the Greyhound, Sam and Jason discover there is more to each other and to themselves than meets the eye!

Twinky and the Bear is loaded with sharp wit, phone sex, shopping, gratuitous nudity, expensive sunnies, showtunes and a sex scene... all the things we hold near, and dear to our hearts.

Starring Scott Hili as the Bear and Mitchell Sanfilipo as the Twink under the musical direction of Daniele Buatti.
